Date	Health	Math
Monday Apr 27		
Tuesday Apr 28	Assessment	
Wednesday Apr 29		
Thursday Apr 30		
Friday May 1		Calendars

Phonics homework

1. Write on flashcards one example for each spelling pattern of the long vowel **A** (--a—e, --ai--, --ay).
2. Write on flashcards one example for the long vowel **I** (--i—e).
3. Write on flashcards one example for each spelling pattern of the long vowel **E** (--ee--, --ea--).
4. Write on flashcards one example for each spelling pattern of the long vowel **O** (--o—e, --oa--, --ow--, --oo--).
5. Write on flashcards one example for each spelling pattern of the long vowel **U** (--u—e). **(11 words in all).**

Social Studies Project

Student presentations for the “All About Canada” projects will begin next Friday (May 8), organized in alphabetical order, and will be assessed as Social Studies tests.

Health Test

Since the Health curriculum has been fully completed and has covered personal hygiene, dental hygiene, hair hygiene, nail hygiene, healthy eating, fire safety, personal safety from strangers, and mental and emotional well-being, a full assessment of the entire curriculum will be conducted. There are no specific textbooks to study from, as all topics were discussed during class lessons, and students will be assessed based on that.

Math Test

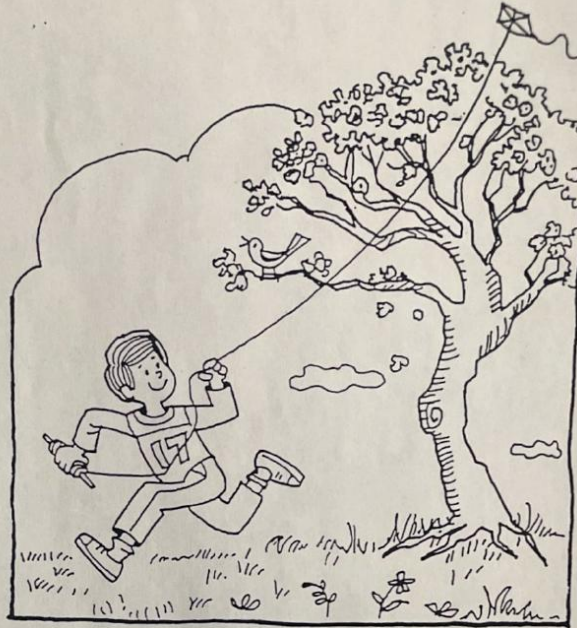

Result -----/ 14

Name _____

All About:

Spring

It is warm in the spring.
Flowers begin to bloom.
