### IMPORTANT GUIDELINES FOR ANGELO LORENZO MEMORIAL FIELD & TRANSPORTATION

Dear Parents/Guardians,

I am excited to announce that during the facility upgrades to the Roslyn High School baseball field, our junior varsity and varsity baseball teams will have the privilege of hosting practices and games at the Angelo Lorenzo Memorial Field on the Brookville campus of New York Institute of Technology. Both teams will begin using this field starting Friday, March 28, 2025. This state-of-the-art, full-turf field is a fantastic opportunity for our student-athletes, and we appreciate your support ensuring it remains in excellent condition.

#### Transportation Guidelines

A school-provided bus will transport student-athletes to and from NYIT for practices and games. Parents are permitted to drop off and pick up their athlete directly from the campus of NYIT. Alternate transportation forms can be printed from the links below. Multiple dates can be written on single form if it is the same parent dropping off or picking up the student athlete.

- Due to safety concerns and limited parking on the campus at NYIT, student-athletes may not drive to the field.

#### Field Use & Sportsmanship Expectations

To maintain the quality and integrity of Angelo Lorenzo Memorial Field, we ask all players, coaches, and spectators to strictly adhere to the following guidelines:

- **Footwear Requirement:** Metal spikes are not permitted. Only turf shoes, rubber-molded cleats, or sneakers may be worn on the field.
- **Prohibited Items:** Gum, sunflower seeds, alcohol, and chewing tobacco products are strictly prohibited on the field. Tailgating on campus is also prohibited.
- **Spectator Guidelines:** All spectators must remain behind the designated fence area during games.
- **Sportsmanship:** We hold all members of our program—including players, coaches, umpires, and spectators—to the highest standards of respect, integrity, and positive sportsmanship. Please demonstrate encouragement and respect at all times.
