

Price offer for Financial Management Expert

I, _____,
hereby submit this price offer to provide the following services at the International Center for
Agribusiness Research and Education Foundation (ICARE):

- Map and analyze financial institutions and programs offering green or climate-smart agriculture financing, and develop a database summarizing accessible options for smallholders and agribusinesses.
- Design and test a standardized, user-friendly template to assist farmers and businesses in accessing green financing opportunities.
- Collaborate with selected financial institutions to validate and refine the template.
- Conduct info sessions on the financial literacy and developed template.
- Offer one-on-one consultations to help participants complete their financing applications.
- Review applications to ensure alignment with financing program criteria.
- Provide recommendations for improvement to maximize application success rates.
- Conduct cost-benefit analyses (CBA) of the project's demonstration sites, assessing the economic viability, environmental performance, and scalability of implemented climate-smart horticultural practices.
- Coordinate closely with ICARE's Project Manager, Project Coordinator and trainers to ensure harmonized implementation.
- Provide inputs to regular project progress reports on the activities conducted and indicators achieved.

For the defined work, I am submitting my price offer for the duration of the program implementation, including taxes as defined by the legislation of the Republic of Armenia:

_____ (amount in words) AMD.

I am attaching my CV to this price offer.

I hereby acknowledge that I understand the Foundation is under no obligation to accept my offer, and that if accepted, the proposed services may be subject to change depending on the project's developments.
