1

00:00:00,000 --> 00:00:03,000

First of all I want to apologise to anyone who

2

00:00:03,000 --> 00:00:06,000

has not been offended by one of my videos recently.

3

00:00:06,000 --> 00:00:09,000

I know some people only watch the damn things to be offended

4

00:00:09,000 --> 00:00:12,000

and I don't like to disappoint.

5

00:00:12,000 --> 00:00:15,000

I know some people have been offended because they write to me and tell me so,

6

00:00:15,000 --> 00:00:18,000

which is good, because I like to hear everyone's opinion.

7

00:00:18,000 --> 00:00:20,000

Well, mostly.

8

00:00:20,000 --> 00:00:23,000

Like anyone else who criticises the religion of peace

9

00:00:23,000 --> 00:00:27,000

I get my share of violent threats from single braincelled organisms

10

00:00:27,000 --> 00:00:29,000
masquerading as human beings.

11

00:00:29,000 --> 00:00:32,000
Indeed, to call some of my correspondents deranged and moronic

12

00:00:32,000 --> 00:00:36,000
would be excessively polite and tantamount to flattery.

13

00:00:36,000 --> 00:00:39,000
Some of it, though, can be quite amusing.

14

00:00:39,000 --> 00:00:42,000
And this week I've been accused of singling out a billion Muslims.

15

00:00:42,000 --> 00:00:46,000
Well, I always say if you're going to single people out

16

00:00:46,000 --> 00:00:49,000
you might as well do it a billion at a time or you'll be there all day.

17

00:00:49,000 --> 00:00:53,000
Seriously, if anybody knows how to single out a billion Muslims

18

00:00:53,000 --> 00:00:55,000
I'd be interested to hear the technique.

19

00:00:55,000 --> 00:00:57,000
It sounds tricky and complicated.

20

00:00:57,000 --> 00:01:00,000

If science could find a way to achieve it

21

00:01:00,000 --> 00:01:02,000

imagine where that technology might take us.

22

00:01:02,000 --> 00:01:06,000

After all, if you can single out a billion, surely you can single out a trillion.

23

00:01:06,000 --> 00:01:11,000

Imagine that, a trillion Muslims all nicely singled out and ready to go.

24

00:01:11,000 --> 00:01:14,000

It sounds absurd and impossible, doesn't it?

25

00:01:14,000 --> 00:01:17,000

So I'm sure we'll find the answer somewhere in quantum physics.

26

00:01:17,000 --> 00:01:20,000

Obviously, when I say "we", I won't be participating

27

00:01:20,000 --> 00:01:23,000

in the search myself because I'm an ignoramus, unfortunately,

28

00:01:23,000 --> 00:01:27,000

but I will be keen to use the technology when it becomes available

29

00:01:27,000 --> 00:01:30,000

so that I can safely and conveniently single out Muslims

30

00:01:30,000 --> 00:01:34,000

a billion or a trillion at a time whenever the need arises.

31

00:01:34,000 --> 00:01:37,000

Another thing you're bound to hear

32

00:01:37,000 --> 00:01:40,000

if you criticise the religion of permanent offence

33

00:01:40,000 --> 00:01:43,000

is that sooner or later some pompous arse

34

00:01:43,000 --> 00:01:46,000

will grandly accuse you of having offended a billion Muslims,

35

00:01:46,000 --> 00:01:49,000

as if anybody's supposed to care.

36

00:01:49,000 --> 00:01:52,000

And it's always said with such laughable solemnity, as if a kind of

37

00:01:52,000 --> 00:01:56,000

sacred line has been crossed - the one billion Muslim line.

38

00:01:56,000 --> 00:01:58,000

Yeah, it's a line all right.

39

00:01:58,000 --> 00:02:02,000

Let me tell you something, if you've never offended a billion Muslims

40

00:02:02,000 --> 00:02:05,000

I recommend it. You can almost feel the shockwave

41

00:02:05,000 --> 00:02:09,000

going around the planet as two billion hands are thrown up in horror.

42

00:02:09,000 --> 00:02:12,000

Well, maybe not quite two billion when you take into account

43

00:02:12,000 --> 00:02:15,000

all the convicted shoplifters and other petty criminals,

44

00:02:15,000 --> 00:02:18,000

not to mention all the women who are afraid to do anything at all

45

00:02:18,000 --> 00:02:21,000

without their husband's permission because, if they do,

46

00:02:21,000 --> 00:02:25,000

they'll be beaten to a pulp, especially if they happen to live in the insane asylum

47

00:02:25,000 --> 00:02:30,000

we know as Pakistan, where 90% of women suffer regular domestic violence

48

00:02:30,000 --> 00:02:34,000

and 1000 women a year are murdered by members of their own family.

49

00:02:34,000 --> 00:02:37,000

Yet this doesn't seem to offend the billion Muslims

50

00:02:37,000 --> 00:02:40,000

any more than it offends "progressive" western feminists, who we know

51

00:02:40,000 --> 00:02:43,000

are far too politically correct and self-absorbed to give a damn.

52

00:02:43,000 --> 00:02:47,000

One thing I've noticed is that these billion Muslims

53

00:02:47,000 --> 00:02:50,000

only ever seem to get really offended by trivial things

54

00:02:50,000 --> 00:02:53,000

like words and pictures, which are usually enough

55

00:02:53,000 --> 00:02:57,000

to bring, if not a billion, certainly thousands of them into the streets

56

00:02:57,000 --> 00:03:01,000

for an orgy of rioting and killing, for which we in the West

57

00:03:01,000 --> 00:03:04,000

have to take full responsibility and follow up with a round of apologising,

58

00:03:04,000 --> 00:03:09,000

appeasing and placating, when really we should be blaming the Jews.

59

00:03:09,000 --> 00:03:11,000

What do you mean you want evidence?

60

00:03:11,000 --> 00:03:13,000

Who needs evidence to blame Jews?

61

00:03:13,000 --> 00:03:16,000

Well, all right, if you insist.

62

00:03:16,000 --> 00:03:21,000

Thanks to modern technology, much of it Israeli (no coincidence there, I feel),

63

00:03:21,000 --> 00:03:24,000

a person today can blaspheme on one side of the world

64

00:03:24,000 --> 00:03:27,000

and Muslims on the other side can know about it

65

00:03:27,000 --> 00:03:30,000

and be rioting and killing each other in seconds.

66

00:03:30,000 --> 00:03:33,000

Those crafty Jews. What will they think of next?

67

00:03:33,000 --> 00:03:37,000

Actually, though, come to think of it, isn't that rather haram?

68

00:03:37,000 --> 00:03:40,000

Not rioting and killing each other, obviously, because that comes

69

00:03:40,000 --> 00:03:43,000

straight out of the mosque, with the full blessing of the clerics,

70

00:03:43,000 --> 00:03:46,000

and that would make them haram. If only.

71

00:03:46,000 --> 00:03:50,000

No, I'm talking about Israeli technology. How haram is that?

72

00:03:50,000 --> 00:03:54,000

That's got to be double haram with a cherry on top, minimum, surely.

73

00:03:54,000 --> 00:03:57,000

Ah, but luckily for the Muslim world,

74

00:03:57,000 --> 00:04:00,000

hypocrisy is not haram. It's very much halal.

75

00:04:00,000 --> 00:04:04,000

Indeed, it's a veritable staple among the frequently invoked

76

00:04:04,000 --> 00:04:08,000

one billion Muslims who are always offended by all the wrong things.

77

00:04:08,000 --> 00:04:11,000

They're not offended, for example, by a religion that sanctions

78

00:04:11,000 --> 00:04:13,000

marriage for pre-pubescent girls,

79

00:04:13,000 --> 00:04:15,000

or that punishes women for being raped.

80

00:04:15,000 --> 00:04:18,000

Not a whisper of protest there. Everybody's busy looking at the floor.

81

00:04:18,000 --> 00:04:21,000

Nor are they offended in the slightest, it seems,

82

00:04:21,000 --> 00:04:24,000

by the widespread persecution of gay people

83

00:04:24,000 --> 00:04:27,000

or religious minorities throughout the Muslim world.

84

00:04:27,000 --> 00:04:30,000

And this is because the people who typically invoke a billion Muslims

85

00:04:30,000 --> 00:04:33,000

are not offended by these things either,

86

00:04:33,000 --> 00:04:36,000

which is why the only response they truly deserve,

87

00:04:36,000 --> 00:04:39,000

and I hope the only response they will ever get,

88

00:04:39,000 --> 00:04:41,000

is a billion non-Muslim middle fingers.

89

00:04:41,000 --> 00:04:44,000

With all due respect.

90

00:04:44,000 --> 00:04:47,000

Peace to everyone, and I hope I haven't

91

00:04:47,000 --> 00:04:50,000

singled out another billion Muslims with this video,

92

00:04:50,000 --> 00:04:52,000

but if I have, what can I say?

93

00:04:52,000 --> 00:04:55,000

In for a billion, in for a trillion.
