

Nash Community College Career and College Promise Enrollment Process

- Contact your NCC CCP coach. Each public high school, private, charter, and homeschool student has an assigned CCP coach who can assist you with the application process.
- Complete [CCP application](#) and submit to your CCP coach.
- Once your application is processed, your CCP coach will send you an ID number and instructions on how to set up your student portal.
- Follow the instructions to submit your course request to your CCP coach.
- Course registration is completed by the CCP coach.
- Purchase books from the bookstore OR make arrangements with high school CDC for book disbursements.
- Attend CCP Orientation
- Welcome to Nash Community College!

¹ Enrollment for 9th and 10th grade students requires a different process. Please contact alwomble393@nashcc.edu for eligibility requirements.
