# Christianity Guided Worksheet 2021

**Ms Moy's Reminders:**

1. Finish each part of worksheet (in yellow) by each assignment's deadline. See overall instructions sheet posted on Google Classroom and on AcMan.

2.This Christianity Worksheet is for Notetaking after you jot bullets in your reading packets and after you watch videos etc. If you prefer to skip using the post its and just type in this worksheet, that is fine. It is similar to the OBI (Organizing and Building Ideas doc that you did for the Judaism Book Club analysis).

3. Use concise and precise bullets in outline form. Try to do main ideas vs. supporting examples. It may be helpful to have a list of "Unorganized bullets" before organizing them into main ideas vs. supporting details.

4. Share this Worksheet with Ms. Moy with editing privileges.
