

IHAVENOMOUTH & SNOWPEARART'S VILLAIN ADOPT GACHA

All Claimed! Thank you for participating!

- Upon purchase, one of us will roll to see which adoptable you get, and tell you where to send payment! Please don't send it until given confirmation, to ensure it goes to the right artist. If making multiple purchases, please wait for confirmation for each.
- There are no AB options for this gacha, and no rerolls - it'd be too complicated with both of us!
- Each artist's TOS applies to their respective designs. NONE of these adopts may be resold for more than their purchase price, unless including additional art.
- Before you purchase, please let us know if you have a phobia of : insects/spiders, needles, or blood!
- Additionally, [here](#) is a sta.sh folder of all of their wanted posters from the promo image!
