

Short Form Copy mission

(Getting traffic on your website)

Who am I targeting?

People between 18-30 years, both Men and Women. Who don't know how to get traffic for their website so they need help with this situation

Where are they now?

They are frustrated and are in a state of stagnation. They have no ideas and don't know where to start or how to get traffic...

They want to increase their sales and have a successful business and a lot of money

RoadBlocks

Never tried anything and don't know where to start because they just feel like quitting

Where do I want to take them/What do I want to help them with?

I want to help them by teaching them about how to get traffic on their website. My main goal is to get them to click that link no matter what.

DIC

Subject line: The secret to generating 10k/mo from your website in less than 30 days

One of the reasons why you didn't hit 10k/mo yet is because you don't have enough traffic on your website

And now you might be wondering, how are you going to increase traffic?

The first step is to set up a good domain that is easy to search. There are a lot of sites that can generate really good domains.

Now I'm not going to talk about all the steps you have because there is a lot to say here, but you can click the link below and learn from professionals.

I assure you that you will get 100% more traffic on your website and I'm so confident about this that you can get your money back if you don't get traffic.

HSO

Subject line: The sneaky little secret that will make your business skyrocket

We have a guy named Garry here, now Garry wants to improve his life, escape from poverty, and be a very successful person.

Now as all the other beginners out there, Garry started learning about how to build up a strong business. One month later Garry was all set up

He had everything he could think about: A website, a social media page, a product but he didn't have one thing and that was traffic on his website.

Now all of you know that without traffic there are no customers, and without customers there are no sales. So Garry was stuck here, he didn't know what to do, he tried searching for answers but nothing was helping him

After a long time of stagnation Garry found a secret that changed his life forever, his website all of a sudden started getting more and more traffic just because of that one secret Garry discovered.

Now If you want to know the secret Garry used to increase the traffic for his website click the link below
