

Dear Members,

As you may know, the GNSO Council has a Standing Selection Committee (SSC) which is tasked with helping the GNSO Council make appointments to review teams and other important positions. You can find more details about its mission and role [here](#).

The NCSG currently has 3 representatives on this committee. However, we have to fill one slot which remained empty since the resignation of one of the NCSG representative. SSC will start the selection for GNSO Council liaison to GAC. The Policy Committee is issuing this call for that purpose.

Candidates should:

1. Be familiar with the GNSO, the GNSO Council, and with the positions to be filled by the SSC;
2. Have experience in candidates selection and review, in nominating committee or any similar structure; and
3. Commit to participating actively and diligently in the SSC's activities and discussions, and to coordinate with other NCSG representatives.

If you wish to be considered for this role, please send your application to the Chair of the NCSG Policy Committee (rafik.dammak@gmail.com) and to our support staff (maryam.bakoshi@icann.org) by 21st August.

Your application should include all relevant details to demonstrate your experience with regards to applicant selection and evaluation processes, an updated statement of interest (SOI), and any other relevant information for the NCSG Policy Committee's consideration.
