Choose 2

Did you like or dislike this book? Why?	Does this book remind you of another book you've read? How?	Who's your favorite character and why?	If you could meet one of the characters right now, what would you say to them?
What parts of the story were tricky for you, or a part you still don't understand?	What questions do you have for the author?	Would you read another book by the author? Why or why not?	What did the book remind you of in your own life?
Why do you think the author chose that title?	What lessons or themes were in the book?	What did you feel about the ending? Would you change it in any way?	How would you react if you were in the same situation?
How did the characters change in the story?	Was there a problem? What was it? Was there more than one problem?	Is this story told fairly? Whose voice or perspective has been left out?	What kinds of characters did the author create? Are they different from one another? Are they different from you? How?
