Artificial Intelligence (AI) Usage Declaration

As part of our policy, all authors are required to include a declaration regarding artificial intelligence tool usage in their manuscripts. This declaration should be placed in the acknowledgments section.

Following the WAME recommendation regarding AI usage in relation to scholarly publications: (1) AI could not be listed as an author; (2) authors should be transparent when AI are used and provide information on how they used it; (3) authors should be responsible for materials provided by AI.

Manuscript title:

☐ I did not utilize any AI tools and/or AI powered digital tools in creating this manuscript.

☐ I utilized an AI tool and/or AI powered digital tools in creating this manuscript. Below are the details.

Authors are permitted to use Artificial Intelligence (AI) tools for limited purposes, such as grammar and language editing, literature search assistance, reference formatting, and the preparation of flowcharts. Any content produced with the assistance of AI must be carefully reviewed, verified, and revised by the authors before submission.

AI tools must not be used to generate the scientific content of the manuscript, create or modify figures or images, perform data analysis or interpretation, or formulate research conclusions. Authors remain fully responsible for the accuracy, integrity, and originality of all submitted work.

Important Note: Failure to disclose the use of AI tools or providing misleading information regarding their use may be considered a breach of publication ethics and may constitute academic misconduct.

AI Tool Name and Version	:	.... *(E.g. Claude AI Sonnet 4.6)*
Purpose of Use	:	.... *(E.g. Assist with grammar checking)*
Exact Prompts Used (If applicable)	:	... *(E.g. Please proofread this text for grammar and clarity)*
Utilization of Output	:	... *(E.g. I used AI for enhance grammatical accuracy)*

Example:

The authors acknowledge the use of **[AI TOOL NAME AND VERSION]** to assist with **[SPECIFIC PURPOSE]**. The prompts used were: **"[INSERT ACTUAL PROMPT USED]"** and **"[INSERT ADDITIONAL PROMPTS, IF APPLICABLE]"**. The resulting output was used to **[DESCRIBE HOW THE OUTPUT WAS USED]**. All AI-generated content was critically reviewed, edited, and validated by the authors. **[AUTHOR NAME(S)]** take full responsibility for the content of this manuscript.

I, _____ as the corresponding author, on behalf of the authors declare that the information provided in this form is true and accurate. I further confirm that I have read, understood, and complied with the Jurnal Keperawatan Indonesia (JKI) Guidelines on the Responsible Use of Artificial Intelligence (AI).
