

MISSIONS

Mission 2 Brief: Forking Paths

Take advantage of Twine's capabilities to construct an interactive learning experience geared to your aims, whether personal, training, school, museum, library, or otherwise. Craft a digital narrative that incorporates educational content, quizzes, puzzles, or branching pathways to enhance learning engagement. Connect the storyline and choices within the Twine experience to your objectives, allowing participants to actively explore and acquire relevant knowledge

Pro Tip

Twine is easy to learn, and you can access the extensive and helpful community to solve any of your issues!
