

# Career and Technical Education

## What is CTE?

Career and Technical Education (CTE) is Career technical education (CTE) provides students with the academic and technical skills, knowledge and training necessary to succeed in future careers and develop skills they will use throughout their careers.

## Career Pathways in CTE

A Career Pathway is a series of structured and connected education programs and support services that enable students, often while they are working, to advance over time to better jobs and higher levels of education and training. The CTE pathways we offer in the Augusta School District are: Agriculture, Food and Natural Resources; Architecture and Construction; Arts, Audio/Video Technology and Communications; Business Management and Administration; Education and Training; Finance, Government and Public Administration; Health Science; Hospitality and Tourism; Human Services; Information Technology; Law, Public Safety, Corrections and Security; Manufacturing; Marketing; Science, Technology, Engineering and Mathematics; and Transportation, Distribution, and Logistics.
