San Antonio Math Include

Provide Greater Access to STEM Education to All Students

Akshaya M.

**Tutor
San Antonio Math Include**

Akshaya is part of the class of 2028 at Basha High School. She describes herself as a very left-brain person, but she also loves music in all forms. She is a classically trained pianist, but she loves to learn pop covers in her free time. Akshaya's curiosity and love of learning have led her to move ahead of grade level, skipping multiple levels in math and other subjects along the way. She joined SAMI because she is passionate about providing students with the necessary tools to become confident and self-reliant in their own math skills.
