

ONLY IF THEY HAVE A NEWSLETTER

Hey, (Creator or business name). I've enjoyed your content about (xyz) I noticed you have a newsletter, and I'm already a subscriber. However, I noticed some issues that might hinder your sales:

- No welcome sequence or lead magnet.
- Lack of value provided to clients before selling.
- Missing attractive landing pages to gain more subscribers.
- Some emails come across as desperate, which isn't ideal. I'd love to help you address these problems.

If interested, let's schedule a call via WhatsApp or Zoom for a face-to-face discussion. Please reply with your availability if you're interested in working together. Best regards, Zhoobin Razaghi

DO NOT HAVE A NEWSLETTER:

Hey, (Creator or business name). I've been following your content and I really enjoyed your content about (xyz). I noticed that you are currently selling a product without a newsletter. Having a newsletter could greatly enhance your product sales by allowing you to continually market to your clients. I can help increase your sales with the following:

- Starting up your newsletter.
- Sending at least 3 emails per week (with your permission).
- Providing appealing landing pages to attract more customers and increase your newsletter subscribers.
- Creating a welcome sequence for a positive first impression. Writing persuasive emails that sell your product to your clients.

If you're interested, let's schedule a call via WhatsApp or Zoom for a face-to-face discussion. Please let me know your availability. Feel free to respond to this message if you are interested or have any questions. Thank you!
Best regards, Zhoobin Razaghi
