Here are a few things you can do:

(We promise not to flood your inbox) Also be sure to follow us on Instagram @huskysalesclub and on LinkedIn for updates and networking information.

Do I have to be in the Professional Sales Program to be a member of Husky Sales Club? What is the difference?

Nope! **All** students are welcome to join Husky Sales Club, no matter the major. We welcome all students of various backgrounds, years and departments.

Husky Sales Club is a **student led organization** that invites members to events and seminars. The UW Professional Sales program is an **academic program** within the Foster School of Business. Husky Sales Club may share some events with the Sales Program, and our networks are similar, but they are not the same thing!

What are the perks to becoming a Husky Sales Club member?

Great question! By becoming a member of Husky Sales Club, you get access to a variety of guest speakers and some of the best salespeople from the business world. Many of these speakers are former Huskies, former Sales Program graduates, and overall from some really awesome companies. We want to bring both valuable insights into the sales world, and the chance for students to connect with professionals in an educational setting.

In addition, members have the opportunity to submit their resume to a booklet that goes out to guest speakers who are invited to the club. A great chance to begin networking as early as you can!

What's the dress code for club meetings?

Our dress code is business casual. That is a broad category, and can often include (but isn't excluded to) nice bottoms (pants, slacks, khakis, skirt) and a nice shirt (collared shirt, blouse, sweater, nice top). Basically, we would like to avoid ripped jeans, denim jeans, or sweatpants/sweatshirts. Let's show up for these speakers and bring the same level of professionalism they bring to us!

How will club meetings look this year, being the first in-person quarter during COVID ?

Your safety is our priority, we want to have valuable meetings while adhering to guidelines in order to keep people safe. With UW's New Covid-19 guidelines, masks are recommended during club, with quick. Please reach out to an exec officer if you have any questions, feedback or concerns surrounding these changes, and how we can make this a safe environment.
