

# How to Open & Customize Prayer Shawl Cards Right in Your Browser

## **Step 1**

If you don't already have or use Google Chrome browser, [click here](#) to download and install it.

## **Step 2**

If you don't already have a Google account, [click here](#) to create one from your Chrome browser.

## **Step 3**

Now click [here](#) to open up the cards. They'll be in View Only mode; the next step will show you how to enter into edit mode.

## **Step 4**

Click the "File" menu, then select "Make a Copy." When you are prompted to do so, select "My Drive" under "Folder." You may also rename the file, if you would like.

## **Step 5**

A new copy of the spreadsheet will open. You can now add the file to your Bookmarks or Favorites to easily keep track of it, if you wish. And now you'll be able to make any changes to the cards that you might like.

Enjoy!
