

Privacy Policy for Darken Text

Effective Date: August 9, 2024

Introduction

Your privacy is important to us. This Privacy Policy explains how the Darken Text Chrome extension ("Darken Text") handles user data.

Data Collection and Use

The Extension does not collect, store, or share any personal data, browsing history, or any other type of user information. Darken Text is designed solely to enhance the readability of text on webpages by allowing users to darken the text on the currently active tab. No user data is transmitted, processed, or stored by the Extension.

Third-Party Services

The Extension does not integrate with any third-party services that would have access to user data.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected on this page, and the "Effective Date" will be updated accordingly.
