#### **What will be asked of me?**

For this assessment, you will be asked to give a one-minute speech and answer follow-up questions about your book in front of a panel of your peers. I have included a list of questions your classmates might ask you to help generate ideas, but it is possible they will have questions not on this list. Plan to speak about your book for about five minutes (including your one-minute speech). As a panel participant, you will also be asked to engage in conversation with your classmates about their books and may use the list of questions as a guide. Please complete the following steps prior to your presentation panel date.

#### **Steps To Complete:**

1. Type five in-depth, open-ended discussion questions ([criteria](#)) about your independent reading book and submit these. Your teacher will choose one of these questions to guide your one-minute speech. Please highlight the selected question in **yellow**.
