THE CHOBE PRINCESSES

CHOBE NATIONAL PARK

With only a small number of guests per boat staying in one of the three Chobe Princesses is like being on your very own houseboat. The entire boat can also be booked exclusively, giving you your very own private villa on the water. As you drift down the Chobe River and spot incredible wildlife scenes, you'll be able to completely relax in an intimate river safari experience.

Each houseboat has a minimum of three smaller boats for use on daily excursions that take your fancy: mark off over 450 bird species found in this wetland paradise, try your hand at landing a tiger fish, or capture Africa's unique beauty on a photographic safari.

2 boats have four cabin suites
