email address.

the type and operator of network (such as Mac address).

behavioral usage of the App.

device identifiers (such as IDFA, IDFV for Android, GAID for IOS).

the type, version, brand, language, screen resolution and operating system of device.

### HOW WE USE AND DISCLOSE YOUR INFORMATION

We may use or disclose the personal information listed above for the following purposes:

To provide our Services and for business purposes.

To conduct audits.

To deliver communications for Service.

To operate and improve our App, performing analytics, and improving our Services.

To help to protect you and us from fraud or economic loss.

To detect, analyze, and prevent security incidents, and other fraudulent or illegal activity.

### WITH WHOM DO WE SHARE YOUR INFORMATION

As permitted or required by applicable law, we may share your personal data with the following parties:

Service Providers, which may process your personal data on our behalf when providing services to us that are contractually limited in their usage of your personal data.

Third parties to enforce our policies, to comply with our legal obligations or in our legitimate interests of security, fraud, public interest or in response to requests by law enforcement, regulatory, judicial or government authorities.

### CHILDREN

We do not knowingly process data from children under age 13, and the Services are not directed to children. If you learn that your child has provided us with personal data without your consent, you may alert us.

## HOW DO WE PROTECT YOUR INFORMATION

In considering the types of data we collect and the data activities we undertake in delivering the Services, we have implemented reasonable and industry approved physical, technical and organizational measures to guard against unauthorized or unlawful access to your personal data.

## HOW LONG DO WE RETAIN YOUR INFORMATION

We retain your personal data only as long as is necessary for the purposes set out in this Policy or as otherwise permitted or required by applicable law. At the end of the applicable retention period, we may delete or anonymize your data, or, if deletion or anonymization is not possible or reasonable, we will securely store your data separate from any further processing until deletion, anonymisation or destruction is possible.

## THIRD PARTY LINKS AND APPLICATIONS

Our Services include links, integrations, and applications associated with third parties with privacy practices that may differ from those of us. Our App includes links to other websites whose privacy practices may differ from those of us. If you submit information to any of those third parties, your information is governed by the terms and privacy policies of those third parties. We encourage you to carefully read the terms and privacy notice of any third party website, integration, or application you engage with.
