Hey (name)

After analysing the top (niche) coaches like (insert top player)

I noticed ideas they all used that you can easily implement for your program's sales page that's going to lead to you selling way more of (product) and eventually turning you into a millionaire.

So to add immediate value to your business I attached a link below this video that has 3 headlines and a free discovery story just so you can get an idea of how this is going to look like.

So in the meantime, look at the google doc and tell me if you would be interested in chatting a little bit more about the ideas i had for your business.
