Attention 7th graders: Do you want to go back to your old elementary school to talk to 6th graders about your experience at Petaluma Jr. High School? Ms. Horwitz and Ms. Leigh are planning to visit our feeder schools towards the middle of January and need student volunteers to join them.

We also need students to volunteer to have a 6th grader shadow you on Shadow Day at the end of February.

If you are interested in either opportunity, please come to the counseling office and fill out a form. You might get selected!

SPORTS

BOYS BASKETBALL vs Rincon Valley

Middle (SR) AT 4PM
