

## Student Parking Permit Policies and Procedures

Parking on our campus is a privilege and will be revoked if the student fails to comply with the following policies and procedures. Administration reserves the right to revoke parking privileges as a discipline response to any inappropriate behavior.

- Seniors and Juniors on Tier 1 only are eligible for parking privileges.
- **STUDENTS MAY PARK IN DESIGNATED STUDENT PARKING AREAS ONLY.** Students parking in any area other than Student Parking will be subject to a citation payable to the City of San Diego Parking Ticket. Fines are paid directly to the City of San Diego.
- **Staff spots are reserved from 6am to 4pm daily. Students parking in these spots before 4pm will be ticketed.**
- The parking sticker must be placed on the front window, lower left-hand corner (driver's side). Stickers **not** fully affixed will not be valid and the car will be ticketed. Students with a parking pass may park on the west(stadium) side of the yellow dividing Line.
- Reckless driving will result in the loss of parking privileges.
- If a student is driving a different car for one day only, they must have a one-day parking pass. To obtain a one-day pass, the student should come into the Administration office and request a one-day pass from Ms. Adelman before 8:20 a.m.
- Citations are issued on vehicles without a valid parking sticker, vehicles with the parking sticker not fully affixed, student vehicles parking in any area other than the student parking area, vehicles parking in red zones, fire lanes, auto shop, behind the school, and various other parking violations. Cars must be parked in a legitimate, lined parking space. **Since our parking lanes are one-way only, you may not park against the flow of traffic (back into a space or pull through to an empty space in front of you).**
- Possession of a parking sticker does not guarantee there will be a parking spot available in the student parking section.
- Students on Tier 2 are ineligible for parking privileges. If a student with parking privileges gets on Tier 2 (due to attendance, grades, or discipline) their parking privileges will be revoked. Tier 2 status at the conclusion of the prior school year will carry over into the next school and will remain in effect until the 6-week progress report.

**Students parking in the MCHS lot are open to search and seizure.**

The PUSD is not responsible for the theft of or damage to belongings or vehicles parked in the student parking lot.

Misuse of parking privileges, violation of parking regulations, or failure to meet established qualifications may result in revocation of parking privileges for the remainder of the school year.

**I have read the parking policies and procedures and understand my responsibilities to follow all rules and regulations.**
