

## C-A Middle School Good News - April 2024

### Rotary Club Student of the Month

The 6th Grade Team of Teachers has selected ***Mikayla Drescher-Peters*** as the April Rotary Club Student of the Month.

I have had the privilege to teach and get to know Mikayla this year. Mikayla consistently shows qualities that make her an exemplary student and a valued member of our academic community. Mikayla shows kindness and empathy in all her interactions. She consistently demonstrates a genuine concern for her peers and goes out of her way to offer assistance

whenever needed. Academically, she not only completes her assignments promptly but also takes the initiative to ensure that her work is thorough and comprehensive.

Mikayla always tries her best and isn't afraid to ask for help. Mikayla is a great friend and student! *Mrs. Tilley-ELA*

## Board of Education Meeting Updates

Great News! Over the April break our maintenance staff installed art frames in the hallways of the middle school. These frames were purchased through funds received from a C.A.F.E. grant that our Art teacher, Mr. Allard, applied to. Now he has begun displaying student work in them for all to enjoy.
