

INT: Pond Day

Two gold fish swimming around.

Peggy

Come on Dayle we're getting outta here.

Dayle

Leave the pond? Why would we do that?

Peggy

There's bigger things out there for us. I can feel it.

Dayle

What could be bigger than the pond?

Peggy

Look

[she leads him in a circle around the stage]

Peggy

Everything is bigger than this pond.

Dayle

The unknown scares me! We're so safe here.

Peggy

Dayle! I've dreamt of a world where the water is so deep you can swim straight for forever.

Dayle

Swim straight?... never turning?.. but how? That sounds impossible.

Peggy

It's not. Now pack your pebbles, bring only the ones you can't live without.

Dayle

Oh goodness... how to choose?! I love them all.

Peggy

We'll find new ones.. shiny ones.

Dayle

Ok I'm ready.

[the two fish meet in the middle]

Peggy

How long can you hold your breath Dayle?

Dayle

I've never tried Peggy!

[they hug - looking up - there's a long pause - they then look at each other as though they're just noticing each other for the first time]

Peggy

Come on Dayle we're getting outta here.

Dayle

Leave the pond? Why would we do that?

Peggy

There's bigger things out there for us. I can feel it.
