Commercial Cleaning

Cleaning and maintaining an office, industrial, or other commercial facility. Does not include cleaning a home at a residential property.

Commercial Food Production

Making, preparing, or packaging food or drink products at scale in a bakery, food or beverage plant, brewery, or commercial food workshop. Does not include work in a home kitchen.

Construction & Renovation Work

Professional building, renovation, or building maintenance work on an active job site. The site can be a home under renovation.

Event Setup & Teardown

Getting a venue or hall ready for an event, or packing it down afterwards, including staging, equipment, and cleanup. Does not include work at a residential property.

Farm, Field & Grounds Work

Work on a working farm, field, nursery, or maintained grounds, such as growing and harvesting crops, caring for livestock, and keeping grounds and sports fields in shape. Does not include a home garden or yard.

Hair Salon Work

Hair services for clients in a salon or barbershop. Does not include work at a residential property.

Healthcare Facility Work

Support work in a hospital, clinic, pharmacy, or care home, such as housekeeping, supplies, and moving patients or equipment. Does not include work at a residential property.
Non-core task: please request if you have coverage.

Hotel Work

Housekeeping, maintenance, and guest-service work in a hotel, resort, hostel, or other lodging property. Does not include work at a residential property.

Industrial Laundry Operation

Washing, drying, folding, and handling linens or garments in bulk at an industrial or commercial laundry facility. Does not include work at a residential property.

Lab Work

Testing, measuring, or inspecting samples, products, or devices in a laboratory or testing facility. Does not include work at a residential property.

Non-core task: please request if you have coverage.

Landscaping & Lawn Care Services

Landscaping, lawn care, or tree work done by a professional crew for a client. It can be at a residential property when it clearly looks like a paid crew. Does not include someone doing their own home maintenance tasks.

Must be requested by the data partner before it is enabled.

Manufacturing & Production Work

Production work in a factory, plant, or production workshop, such as running machines or lines and assembling, inspecting, or packaging products. Does not include work at a residential property.

Moving & Relocation

Professional moving work for a household or office, packing, carrying, and transporting belongings as part of a crew. It can be at a residential property when it clearly looks like a moving job.

Must be requested by the data partner before it is enabled.

Plumbing, HVAC & Electrical

Professional plumbing, heating and cooling, refrigeration, air conditioning, or electrical work, whether installing, repairing, or servicing systems in a building. It can be at a home, business, or industrial site as long as it is real trade work.

Professional Home Cleaning

Cleaning a client's home as a professional cleaning service. It should look like a professional operation, with a uniform, cleaning supplies, or systematic room-by-room cleaning.

Must be requested by the data partner before it is enabled.

Restaurant & Commercial Kitchen Work

Front- or back-of-house work in a restaurant, café, bar, or commercial kitchen, from preparing and cooking food to serving, cleaning, and dishwashing. Does not include work in a home kitchen.

Retail & Store Work

Work on the sales floor or in the stockroom of a store, such as stocking, organizing, and pricing goods or serving customers. Does not include work at a residential property.

Vehicle Service & Repair

Servicing, repairing, cleaning, or fueling vehicles at a garage, repair shop, service yard, or fuel station. Bike repair. Does not include work in a home driveway.

Warehouse & Logistics Work

Moving, storing, and shipping goods in a warehouse, distribution center, loading dock, or delivery operation. Does not include work at a residential property.

Waste Collection & Sanitation Work

Professional waste collection, recycling, sweeping, or removal work done with a truck, route, or sweeper. Does not include work at a residential property.

Non-core task: please request if you have coverage.

Workshop & Fabrication Work

Wood, metal, print, or finishing work in a workshop, sawmill, lumber yard, or on site, from cutting and shaping materials to assembling and finishing pieces. Does not include work at a residential property.
