

Year 8: Art

Task title: Art Gallery Shoe box

Find an empty shoe box or empty box. Use this box to create an art gallery.

In your art gallery, recreate at least 5 famous works of art. The artworks can be hand drawn, painted or printed out. You may dedicate the whole gallery to your favourite artist and produce a range of their work or select artists based on a theme or art movement, e.g. cubism, surrealism etc. See the Artist/Art Movement guide sheet for inspiration.

Guidance/key questions to ponder:

- Spend time researching famous art works
- Consider how you will arrange the artworks in your shoe box gallery
- Make stands for your gallery

Once made, bring your gallery into school and show your Art teacher to receive Reward points.
