

Privacy Policy Weather Checker

Weather Checker ("the extension") is committed to protecting your privacy. This privacy policy outlines the types of data we collect, how it is used, and your rights regarding that data.

Information We Collect

1. Geolocation Data

Weather Checker requires access to your device's geolocation to provide accurate weather information based on your current location. This data is used solely to fetch weather updates and is not stored, shared, or sold to any third parties.

2. Weather Data

The extension retrieves weather data via the OpenWeatherMap API. This information includes weather conditions, temperature, humidity, and wind speed for your location. This data is not personal and is only used for displaying relevant weather updates.

3. Non-Personal Data

We may collect non-personal information such as device type, browser type, and extension version for performance analytics. This data is anonymized and used to improve the extension's functionality.

How We Use Your Information

- Provide Weather Updates: Your geolocation is used to fetch real-time weather data specific to your location.
- Enhance User Experience: Non-personal data helps us improve performance, troubleshoot issues, and enhance user experience.

Data Sharing and Storage

- No Data Storage: Weather Checker does not store your personal data on our servers.
- Third-Party Sharing: We do not share, sell, or disclose your data to third parties. The only third-party service used is the OpenWeatherMap API for retrieving weather information.

Third-Party Services

The extension uses the OpenWeatherMap API to fetch weather data. Their privacy policy can be accessed [here](<https://openweathermap.org/privacy-policy>). Weather Checker is not responsible for the data practices of this third party.

Your Consent

By using Weather Checker, you consent to the collection and use of information as outlined in this privacy policy. If you do not agree with this policy, please discontinue the use of the extension.

Your Rights

As a user, you have the right to:

- Request Information: Ask about what data we collect and how it is used.
- Opt-Out: Disable location access through your browser's settings, which will prevent the extension from accessing your location.

Changes to this Privacy Policy

We reserve the right to update this policy. Any changes will be reflected on this page, and the date of the latest update will be noted.
