Email: correspondence_author's@email.com (typed in Book Antiqua, 11, center)

ABSTRACT (typed in Book Antiqua, 11 in bold, Center)

Type a language abstract in English of 200-250 words, in one paragraph without reference to abbreviations/acronyms, and footnotes. Abstracts are written not in the form of mathematics, questions, or conjectures. The abstract contains sentences that outline the theory behind the research, research objectives, research methods, analysis techniques, research results, and the novelty of the findings. Typed in Book Antiqua 10 font and single-spaced, justify.

Keywords: Maximum seven words, keyword one, keyword two, etc

INTRODUCTION typed in capital letters [font Book Antiqua 12 bold, 800 to 1000 words]

The introductory section provides background on overcoming a problem, including urgency and rationalization of activities, a literature review, a problem-solving plan, activity objectives, and hypothesis development [font Book Antiqua, 11, normal]. Note to authors: Articles are 3000-4000 words long (including bibliography, notes, and tables). Each article will be tested for plagiarism.

Articles are typed in Microsoft Word format, using Book Antiqua font size 11, and are single-spaced on A4 paper. Individuals interested in receiving the JOSSE in printed form should contact the journal manager.

METHOD typed in capital letters [font Book Antiqua 12 bold, max. 500 words]

The research method describes: the approach, scope, or object, operational definition of the research focus variable or description, place, population, sample or informant, primary materials and tools, data collection techniques, and data analysis techniques [Font Book Antiqua, 11, Normal].

RESULT AND DISCUSSION typed in capital letters [font Book Antiqua 12 bold, 1000 to 1500 words. The research results and discussion sections are presented separately.

The research results are presented comprehensively and within the scope of the research. Research results can be supplemented with tables, graphs (pictures), and/or charts. Tables and figures are numbered and titled. The results of the data analysis are interpreted correctly.

Discussion typed in capital letters [font Book Antiqua 11 bold]

The discussion section describes the findings logically, linking them to relevant reference sources. [Book Antiqua, 11, normal].

CONCLUSION typed in capital letters [font Book Antiqua 12 bold, max. 350 words]

The conclusion provides a summary of the research results and discussion. Conclusions are research findings in the form of answers to research questions or research objectives. [Book Antiqua, 11].

REFERENCES typed in capital letters [font Book Antiqua 12 bold]

Contains referenced sources and a minimum of 80% in the form of literature published in the last 5 years. The reference list is written according to the American Psychological Association (APA) 6th edition. All sources listed in the bibliography must be included in the article manuscript. It is recommended that the scriptwriting and the situations referred to in this manuscript use a reference manager such as Mendeley, Zotero, RefWorks, EndNote, and others. [font Book Antiqua, 11, normal].

TABLE/FIGURE WRITING

Table 1. (Book Antiqua 11, Bold)

Table Title (Book Antiqua 11, Bold)

Number	Column Title 2	Column Title 3	Column Title 4
1	description	description	description
etc	description	description	description

Source: xxx

The writing of the table is by the style that has been set, with color variations according to the wishes of the author, as long as it is not excessive. Regarding the image, it is presented as shown in Figure 1.
