

Options for Logging In to Canvas

💡 Prerequisite: Make sure you are using **Google Chrome** before continuing.

Choose **one** of the 3 ways below to sign in:

Option 1: Click the “Home” button in Google Chrome.

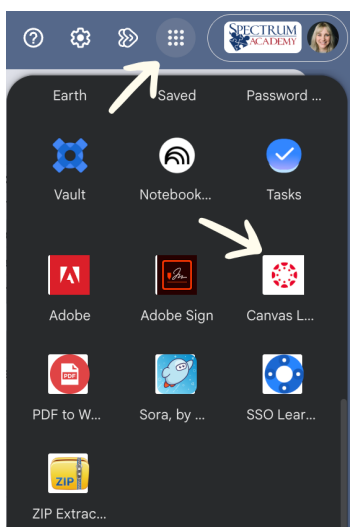

You might need to sign in again with your Spectrum Academy account via Google.

Then Click the Canvas Icon.

Option 2: Go directly to bit.ly/spectrumcanvas (Note: Type the full web address into your browser—don't click Google search suggestions!)

Option 3 (From Gmail): Click the **Google Apps icon ("the waffle")** in the top-right corner of your school email, scroll down, and select **Canvas LMS**.

Option 4 (Direct Link): Go to spectrumacademy.instructure.com/login/saml

💡 All 3 options use your standard Spectrum Academy email and password—no extra password needed!

📌 Quick Troubleshooting Tips:

- Browser Check: Make sure Google Chrome is signed into *your* Spectrum Academy account. [Click here for detailed Chrome setup instructions.](#)
- Error Message? If you can't log in, I might have misspelled your username! Submit a ticket [here](#) and I'll fix it right away.
