

Some of the commissions on the AJGC (like Deluxe Packs, Social Media Icons and Entire Blog Packs) require payment. Since some of you have been asking what a payment would be, this guide is here to help you understand what type of payment the commission requires.

Small Rares

A small rare is a rare that is easily obtained, like the **rare star cape**, **rare butterfly wings**, **rare mechanical angel helmet** etc. Below are some pictures of 'small rares' you could use as payment for a commission requiring a small rare:

Medium Rares/Items Like Them

A medium rare is a rare or item that is harder to obtain than some of the small rares. Medium rares include items like **rare fox hats**, **rare bow and arrows**, **non-rare worns**, **rare Jamaaliday top hat**, **rare pigtails**, **arctic hoods** etc. Look below for some items that you could use as payment:

Large Rares/Items Like Them

A large rare is the 'top' level of rares and items/betas. They have different levels of rarity, and depending on the difficulty of your commission, the payment may vary. Some large rares/betas include items like founders, art easels, ice Mira statues, beta wallpaper, headdresses, rare viking hats, party hats, top hats, rare spike collars and wristbands etc. Look below for some examples:

If you have an item that you are not sure if you can use for a certain level of commission payment, just ask me in the comments section on the Commissions page!
