

[5 Best Western States for Whitetail Hunting](#) September 4, 2022 Washington

Wide Open Spaces

... There are estimated to be 300,000 deer in the state, a little more than 100,000 of which are whitetails. The buck harvest in 2020 was 25% of the over 110,000 tags Washington issued that year...

[this population estimate is consistent with the population estimate sever ago]
