Your privacy is important to us. This policy outlines how SaVi handles your data.

1. What We Store

SaVi stores the following **locally on your device**:

- Your saved posts, comments, and preferences
- App settings and viewed content history

We do **not** collect personal identification info unless explicitly provided in future updates.

2. Data Protection

All information remains secure and private on your device. SaVi does not upload or share your data with third parties.

3. Reminder on Proper Use

To ensure a safe community, users are reminded:

- Do not post harmful, offensive, or illegal content
- Do not use the app for harassment, misinformation, or abuse
- Violations may result in restriction or removal from the app

4. User Control

You can delete all local data through app settings or by uninstalling the app at any time.

5. Policy Updates

If SaVi evolves to include online features or cloud storage, you will be notified and updated policies will be provided for review.
