Volunteer Coordinator: Darci Wilson

Box Top/Labels for education coordinator: Amy Vanderzanden

Dear Parents/Guardians of BES students,

Welcome to the 2018-2019 school year! The PTO is excited to be back and we have quite a few fun events on the calendar. Visit the PTO website at

bespto.blogspot.com to find the calendar, meeting minutes, and more. Take a look at the minutes and you'll see positions open to chair the Family Dance, the Catalog Sale, and as a Staff Appreciation Coordinator for the school year. The PTO could not run these events without the fabulous parent volunteers at BES. You are appreciated!!!

If you noticed some missing items on the back-to-school supply list it is because the PTO partnered with the school to pay for supplies such as pencils, hand sanitizer, Kleenex, Sharpies, etc. Thank you Principal Darla Waite-Larkin for bringing the idea to the PTO and a huge thank you to Michelle Soper in the front office for working so hard to get the best deals on the supplies. The PTO board has made room in our budget to do this again next year!

The PTO board is looking forward to a successful year supporting the staff and parents at BES and enhancing the quality of our children's education.
