Basic IELTS Listening

Subject Overview

Basic IELTS Listening aims at

- providing IELTS candidates with a basic English language ability,
- enlarging candidates' stock of vocabulary, and
- giving candidates insight into the social life and culture of the English-speaking communities. **Basic IELTS Listening** is suitable for those who want to achieve a band score of 3.5-4.5 in the IELTS test. They are also practical materials for high school students, students of pre-intermediate level, and for those who want to build up a solid foundation in their English language competence.

Learning Outcomes On completion of **Basic IELTS Listening**, students will be able to

- do typical tasks in the IELTS Listening test,
- apply useful tips and techniques in answering questions of the IELTS test,
- be well prepared for gaining a higher score in your actual exam, and
- achieve your desired band score in the near future.
