

Terms of Service

Effective Date: May 16, 2025

1. Introduction

Welcome to **ChatGPT to Audio**, a ChatGPT browser extension that converts ChatGPT conversations into high-quality speech. By installing or using this extension, you agree to these Terms of Service.

2. User Responsibilities

You are responsible for all activities conducted through your use of ChatGPT to Audio. You should maintain the security of your own data and promptly report any unauthorized access or security breaches to **democraticdeveloper@gmail.com**.

3. [Privacy Policy](#)

Your use of ChatGPT to Audio is also governed by our Privacy Policy, which explains how we collect, use, and protect your information. Please review the Privacy Policy before using the extension. We will not share your data with third parties except as described in that policy.

4. Intellectual Property

All intellectual property rights in ChatGPT to Audio and its content are owned by the developer. These works are protected by copyright and other applicable laws. All rights are reserved.

5. Rate Limiting Acknowledgement

Because ChatGPT to Audio generates speech directly from ChatGPT conversations—processing and converting each message into audio—you may encounter rate limiting imposed by ChatGPT or OpenAI's systems. This limitation may temporarily restrict further requests for up to an hour.

6. Termination

We reserve the right to suspend or terminate your access to the extension at any time, without notice, if you violate these Terms of Service.

7. Governing Law

These Terms are governed by the laws of the **State of New York**, without regard to its conflict of law provisions.

8. **Contact**

For any questions or issues regarding these Terms of Service, please contact **democraticdeveloper@gmail.com**.
