

Session 1

TOPIC: Mid-Semester Assessment

Objective: To assist students with student faculty interaction and the importance of in-class performance.

Questions to consider:

- How often do you communicate with your professors?
- Have you checked your grades and progress on blackboard including any alerts sent?
- Have you reviewed your course syllabi to see when exams, projects and remaining assignments are due?
- Have you been attending all of your classes?
- Have you met with your advisor this semester to review your degree plan in progress?

Activities:

1. Review of Blackboard Advising shell
2. Review of the hub shell on Blackboard
 - a. How to set up tutoring/academic coach appointments

Additional Topics for Discussion:

1. GPA calculation/ Credit count
