

Dear Parent(s) and Guardian(s),

I am the technology coach at HB Emery and with your help we will have a very awesome resource for your child(ren) and their classmates. I am excited to announce that we are creating a STEM Lab where your child can learn Science, Technology, Engineering, and Math. You may have also heard it referred to as a Maker Space. The lab will be set up with tons of supplies for your child to create and think. We have a great start on supplies, but we would love more, and some of what we need is **free**. Please look over the list below and if you have any of these items and no longer need them, please consider a donation to our STEM Lab.

*Clothespins	Elbow/Spaghetti Pasta	Working Batteries	Paper Plates
Crayons/Markers	Cereal Boxes	Colored Tissue Paper	Nylon Knee Socks
Magnets	*Marbles	Colored Paper	Grass Seed
Yarn or String	Coffee Filters	Rubber Bands	*Googly Eyes
Paper Rolls (towel/toilet)	Food Coloring	*Legos	Ribbon
Wax Paper	Paper Cups	* Empty CD Cases	Pipe Cleaners
*Paper Lunch Bags	Plastic Cups	Tape	Sticky Labels
Toothpicks	Buttons	Newspaper	Fake Money
Cornmeal	Dixie Cups	Straws	Glue Sticks
Foam Pipe Insulation	3X Magnifying Lens	Sticky Dots	Paper Fasteners
*Sandpaper	*Sponges	Felt	Aluminum Foil

Our little scientists, techies, engineers, and mathematicians appreciate your generosity!

Thank you,

Nicole Gleason
