

## Adv. Photoshop

### YouTube Photo Editing, Review Assignment

Directions: Follow the steps below to help you review the basics in Photoshop. This assignment will help you review resolution, pixels, resizing an image and working with a logo. The end goal is to create YouTube Channel Art for Desktop: Header Image, Banner and Logo.

**Step #1: Learn!** Watch the [Images, Pixels and RGB](#) video to become familiar with resolution, print vs. digital and how pixels work.

**Step #2: Planning!** In a Google Doc plan out your (pretend) YouTube channel. Create a name for your channel, a focus/goal of your channel and a brand look.

**Step #3: Create!**

[Resizing in Photoshop](#) with Mrs. Cullen\*

- Profile Picture: 98 x 98 pixel
- Banner Image: 2048 x 1152 pixel
- Video Watermark: 50 x 50 pixels  
(use <https://www.wix.com/logo/maker> for logo)

**Step #4: Submit!** Using the same Google Doc you used for planning, insert your profile picture, banner image and video watermark. Submit this Google Doc in Google Classroom.
