And then when you get your cup, the real fun starts...

That's when you get to fill it with the mead cocktail recipes we send to your inbox.

Doesn't matter if you're swigging from a beautiful natural horn cup like the ancestors used to celebrate their triumphs, or if you rock a cup of stoneware for your chilled OR hot spiced mead.

Our mead-loving ancestors(around the world!) were huge fans of a spiced blend, hot or cold, by the way.

And if you want to know first when our new mead blends drop, news about the meadery, and even tips for brewing your own mead, rest assured you'll be set with our mailing list!
