FUNDRAISING SUGGESTIONS

There are several ways an individual may raise money for the trip. They are included, but not limited to:

- Send support letters to family and friends (See attached sample support letter). Please do not send support letters to individuals of Life Church.
- Sell items to friends and family such as bracelets (Threads of Hope), t-shirts (Fund the Nations), handmade items, or baked goods.
- Get a part-time job to raise money.

HOW CAN WE MAKE PAYMENTS?

- **ONLINE:** Use your giving link through Managed Missions to make online payments. The fundraising page has a sharable link you can share with others who would like to make a tax-deductable donation.
- **CASH/CHECK:** Make all checks out to "Life Church" and write Tanzania 2027–*Your Name* in the memo. Checks can be dropped in the offering box, brought to the resource center, or brought in to the offices during our office hours.

- CASH: Stick in a Life Church giving envelope or include a note designating whom the payment is for, which trip it is for, and who is paying. Cash can be dropped in the offering buckets, brought to the resource center, or brought in to the offices during our office hours.

Due to IRS regulations, all contributions submitted to Life Church are non-refundable. In the event that you can no longer go on the trip, that money will go towards the trip's general fund to cover other trip expenses or help another person who has not raised all of their funds. The same applies if more fundraised money comes in for a person than needed.

PASSPORTS

You will need to get a passport to go on this trip. If you already have one, check the expiration date to make sure it does not expire less than 6 months AFTER the trip. To apply for a passport, please visit www.travel.state.gov to get started. The website will walk you through everything you need. Or, you can visit your local post office for more information. Most passports take between 4-6 weeks to arrive from when you mail the application; so do not wait on this!

CONTACT INFORMATION AND SAFETY

Safety is our number one priority on any trip, and any decision made will be with your safety in mind. The trip will be processed through Convoy of Hope. We have taken several trips through them before, and would not continue to do so if we felt it was a risk of safety.

We will have access to Wifi at points throughout the trip if you need to contact your family. Be aware that all international Internet access can be spotty at times. The trip leader will have an international phone plan for emergencies, though you may choose to purchase one through your own cell phone provider.
