

# ARC Beacon Hourly Formula (summer)

Use the chart below to determine how many hours the Beacon SI Leader may work per week, per group.

Hours are based on the unit count and length of the course.

**NOTE:** Beacon Plus are the hours when the leader attends lab and/or lecture in *addition* to the group sessions.

| units | term length (8,6,4 weeks, etc.) | max session hours per week | max prep time per week | max communication time per week | Beacon max per group/per week | Beacon Plus (optional) max per week | Beacon & Beacon Plus max per group, per week |
|-------|---------------------------------|----------------------------|------------------------|---------------------------------|-------------------------------|-------------------------------------|----------------------------------------------|
| 3     | 8                               | 4                          | 2                      | 1                               | 7                             | 6                                   | 13                                           |
| 4-6   | 8                               | 6                          | 3                      | 1                               | 10                            | 12                                  | 22                                           |
| 3     | 6                               | 6                          | 3                      | 1                               | 10                            | 10                                  | 20                                           |
| 4-6   | 6                               | 9                          | 4                      | 1                               | 14                            | 14                                  | 28                                           |
| 3     | 4                               | 8                          | 4                      | 1                               | 13                            | 12                                  | 25                                           |
| 4-6   | 4                               | 12                         | 6                      | 1                               | 19                            | 16                                  | 35                                           |
