5/3/23

alpha 0.0.1: early release again.

5/9/23

alpha 0.0.2: fixed some stuff that was broken (I had to ask for help on Stack Overflow :\)

5/29/23

alpha 0.0.3: trying to fix some stuff, will ask another question on Stack Overflow.

alpha 0.0.4: Still doesn't work, although thanks to Caleb Thoburn for helping me make some progress on trying to get it to work!

alpha 0.0.5: it almost works! did some redoing the code on my own tbh.

alpha 0.0.6: almost works.

5/30/23

alpha 0.0.7: almost works

6/2/23

alpha 0.0.8: It still doesn't work, but it almost does!

Notice 1: Asking this in the proper place to ask this (Scratch forums) instead of Stack Overflow because I forgot that Stack Overflow is a knowledge base, not a debugging platform

alpha 0.0.9: FINALLY! IT WORKS!

alpha 0.0.10: Hid some variables

alpha 0.0.10.1: Compressed drag/drop code a bit.

alpha 0.0.10.2: Sprite size stuff :\

alpha 0.0.11: Actually have it dropping for the first time

6/5/23

alpha 0.0.11.1: it's still not working, might try to make this something like a messaging thing.

7/11/23

Alpha 0.0.11.2: :\
