♥ WELCOME TO OUR SSA FAMILY ♥

Thank you for choosing SupaStarz Athletics as your premier cheerleading program. We are excited to be entering our 4th Competitive All-Star Season, and we could not be more proud of the growth and success our program has

experienced. SupaStarz Athletics was founded in 2023 with a passion for helping the next generation of cheerleaders grow, build confidence, and reach their full potential both on and off the mat.

At SupaStarz Athletics, we believe every athlete has the ability to shine. Our coaches are dedicated to providing a positive, structured environment where athletes can develop strong cheerleading skills, teamwork, discipline, and confidence.

Our #1 focus is ensuring that every athlete learns valuable life skills while having fun, building lifelong friendships, and creating unforgettable memories. Through hard work, commitment, and encouragement, we strive to help each athlete become the best version of themselves.

As we begin Season 4, we look forward to another exciting year of growth, dedication, and success. Thank you for trusting SupaStarz Athletics to be part of your athlete's journey. ★♥♥ Together, we will continue to work hard, support one another, and let every athlete SHINE like the SupaStar they are!

COMPETITIVE PROGRAMS OFFERED

At SupaStarz Athletics, we offer four different programs designed to meet athletes at every level of experience and commitment.

Our **Elevate Program** is perfect for athletes who are new to cheerleading or All-Star cheer. This program is open to **ALL athletes** and is designed as an introduction to **All-Star cheerleading**. It is ideal for athletes who are new to cheer and want to learn the fundamentals of **stunting, tumbling, motions, and teamwork** in a supportive environment. **Athletes with no prior cheerleading experience are required to complete at least one full season in the Elevate Program before moving to a Full Season team.** This ensures they have the proper foundation and understanding of All-Star cheer before advancing to a more competitive level. The program is also perfect for families who **prefer a half-season commitment**. Athletes in the Elevate Program will also **follow a similar attendance policy as our Flex Teams** to promote consistency, commitment, and continued development throughout the season. **(Ages 3-13) *ELEVATE TEAMS WILL TRAIN FROM AUGUST 1ST-DECEMBER AND COMPETE IN ONE COMPETITION.**

Our **Flex Teams** are ideal for athletes who want the excitement and experience of a **full competitive cheer season** but may have other activities or commitments during the week. Flex athletes **practice one day per week** while still competing throughout the season. Athletes in this program will **train similarly to our Full Season athletes**, follow a structured **attendance policy**, and work toward building strong routines and competitive performances. This program is also designed to be a **more budget-friendly option** for families while still providing a true All-Star cheer experience.

Flex Teams will train from **July through May** and will primarily compete in **in-state competitions**. These teams will attend **approximately 3–4 competitions during the season**. Flex Teams are designed for athletes who want to experience the excitement of All Star cheer while maintaining a more flexible schedule. Flex teams **do not attend an out-of-state or Florida end-of-season event**. **(Ages 3-18) *Extra practices will be added ONLY if needed!**

Our **Full Season “ALL-IN”** Teams are designed for athletes who are ready for the **highest level of commitment** within our program. These teams **practice two days per week with additional built-in practices**. Athletes are expected to give their full dedication and effort to the team. Athletes in this program will also be required to **follow a strict attendance policy** to ensure the success, consistency, and progress of the team throughout the season. Full Season teams will **commit to attending an end-of-season championship event in Florida**, making this an

exciting and rewarding experience for athletes who are truly ready to go **ALL-IN** for the season. (Ages 5-18) *Full Season Teams will train from July through May and will compete in both in-state and out-of-state competitions. These teams will attend a minimum of 5–6 competitions throughout the season, with at least two two-day competitions included in the schedule.

****FLEX AND FULL SEASON TEAMS WILL USE THE MONTH OF MAY TO PREPARE FOR OUR ANNUAL END OF SEASON SHOWCASE FOR LOCAL FAMILY AND FRIENDS. *HELD AT KINSTON HIGH SCHOOL**

Our CheerAbilities Program is designed to provide athletes with physical, developmental, or intellectual disabilities the opportunity to experience the excitement and benefits of cheerleading in a supportive and inclusive environment. Our goal is to create a program where every athlete can build confidence, develop coordination, learn teamwork, and have fun while being part of a team. Practices focus on age-appropriate and ability-based cheer skills, including motions, dance, basic stunts, and performance routines, all adapted to meet the individual needs of each athlete. ****CheerAbilities is a half season program and will run from October to March. Athletes practice 2-3 times a month and are tailored to the needs of the athletes and families.**

EVALUATION FOCUS AND CRITERIA

During evaluations, athletes will be assessed in several areas to help coaches determine the **best team placement** based on skill level, ability, and overall development. Our goal is to place each athlete on a team where they can **grow, contribute, and be successful** throughout the season. Please note that **all of the**

below factors will be taken into consideration, along with team needs and coaches' to ensure balanced and competitive teams for the season. Athletes will be evaluated on the following:

****Younger athletes are also assessed based on their emotional maturity, ability to stay focused, and how well they interact and work with others. All athletes must be fully potty trained, or a parent/guardian must remain available during the entire practice in the event assistance is needed.**

Tumbling: Standing and running tumbling skills, technique, control, and consistency of execution.

Jumps: Proper jump technique, height, flexibility, timing, and body control.

Stunting: Athletes will be evaluated on their ability to **base, fly, or back spot**, including strength, technique, body control, and stunt awareness.

Motions & Performance: Sharpness of motions, confidence, energy, facials, and overall performance quality.

Dance: Ability to learn and perform choreography, rhythm, timing, and showmanship.

Athletic Ability & Conditioning: Strength, flexibility, coordination, and overall athletic potential.

Coachability & Attitude: Ability to take corrections, demonstrate a positive attitude, work well with others, and show strong effort during the evaluation process.

Past Commitment: For returning athletes, **past commitment, ability to apply corrections, attendance, attitude, and dedication to the program WILL BE** taken into consideration during the placement process.

JUNE 8-12 *WEEK OF TRYOUTS

Athletes will review material and skills that will be evaluated the following week. This material will include **jumps, tumbling, dance, and stunts** required for placement on specific level teams. This time is designed to help athletes become familiar with the skills and expectations prior to the official evaluation process.

JUNE 15-18 *WEEK OF EVALUATIONS

During evaluation week, athletes will be assessed on the material and skills previously reviewed. Evaluations will include jumps, tumbling, dance, and stunts required for placement on specific level teams. Coaches will evaluate

athletes based on skill level, technique, performance, and overall ability to determine the most appropriate team placement.

Please note that some athletes may be asked to return for an additional stunt session the week of June 22. These sessions may take place in a small group or private pod setting to allow coaches to further evaluate stunt ability and team placement.

JUNE 19-20 *MANDATORY TUMBLE CLINIC*

June 19–20 will be a **MANDATORY** Tumble Clinic for athletes who have most likely been selected to perform tumbling passes during Season 4. This clinic is invitation only, and athletes will be notified at the end of Week 1 of Tryouts if they are selected to attend. ***PRICE WILL RANGE FROM \$50-\$65 AND WILL BE CONFIRMED WITH INVITE. PAYMENT IS DUE ON THE FIRST OF CAMP.**

If your athlete cannot attend this clinic, they will NOT be selected to tumble during Season 4. Absolutely no exceptions will be made.

Please also understand that participation in this clinic does not guarantee that an athlete will perform specific tumbling passes during the season. All skills must be perfected, cleaned, and consistently performed throughout the season in order to be included in routines.

We are excited to welcome back Coach Peanut and Savannah to lead this clinic. Both are World AND Summit level athletes and experienced coaches. Coach Peanut currently coaches tumbling at Open Gym full-time, and Savannah also coaches cheer prep classes there. In addition, Savannah coaches the NC State Lady Pack. Their experience and expertise will provide athletes with high-level instruction and skill development.

Athletes will be grouped based on their current skill level, and group placements will be determined at the discretion of the coaches.

Clinic schedule and times are listed below.

Friday, June 19th ** (if spots are available, Elevate athletes will be invited)

- **Level 1 (Flex) 4:00-5:30**
- **Level 1 (Full Season)-5:30-7:00**

- **Level 2/3 Full Season -7:00-8:30**

Saturday, June 20th

- **Level 1 (Flex)-10:00-12:00**
- **Level 1 (Full Season)-1:00-3:00**
- **Level 2/3 (Full Season)-3:00-5:00**

JUNE 22-23 *MAKE UP TRYOUTS & EVALUATIONS

Athletes who missed the official week of Tryouts and Evaluations will have the opportunity to attend two make-up days. In order to be considered for placement on a Flex or Full Season team, athletes must attend both make-up days. This ensures that coaches have a complete assessment of the athlete's skills and abilities for accurate team placement.

JUNE 22-26 *PRIVATE STUNT SESSIONS

During the week of **June 22**, select athletes may be asked to participate in **private stunt sessions**. Coaches will **contact the families of these athletes directly** to schedule their session. These sessions are designed for athletes to **demonstrate specific skills and techniques required for placement on particular level teams**. The focus will be on proper technique, safety, and consistency, allowing coaches to make informed decisions about team placement. These sessions are **by invitation only** and are a **critical part of the evaluation process** for certain athletes.

JUNE 28 *TEAM REVEAL

Team Reveal is one of the **most exciting moments of the season!** During this special event, athletes will **officially find out which team they have been placed on for Season 4**. It's a time filled with excitement, celebration, and the beginning of new team journeys.

Athletes are welcome to **dress up or dress casual**—whatever makes them feel comfortable and ready to celebrate. This event is a chance for athletes to **meet their coaches, connect with their new teammates, and celebrate with family and friends** as we kick off another amazing season at SupaStarz Athletics.

We can't wait to celebrate with everyone and officially welcome our athletes to their **Season 4 teams!**

JULY 6TH

OFFICIAL SEASON 4 PRACTICES BEGIN FOR FLEX AND FULL SEASON TEAMS- We fully understand that summer is a time for vacations, camps, and family time. Because of this, summer practice attendance will have some leniency, and we understand that athletes may need to miss certain practices during this time.

However, once the season officially begins, attendance expectations will change. **Mandatory practices and the official Practice Attendance Policy will go into effect beginning the week of August 24th.** At that time, athletes will be expected to follow the attendance guidelines outlined in the program policies to ensure team consistency and preparation for competitions.

JULY 28-30

Stunt Skills Clinic will be held for all **Flex and Full Season** athletes. During this clinic, SSA will host experienced athletes and coaches from various gyms and colleges to help develop our athletes. Athletes will work on required stunt skills and proper technique needed for **Season 4**. Coaches will also use this clinic to evaluate athletes, introduce stunt skills and technique required for the season, and begin finalizing stunt groups for choreography.

This clinic is **mandatory**. Athletes who do not attend will **not be eligible to stunt during Season 4**.

Clinic Cost: \$100

Payment: The cost of the clinic will be due on the first day of the Stunt Clinic.

***The instructor lineup will be announced at a later date.**

AUGUST 3

OFFICIAL SEASON 4 PRACTICES BEGIN FOR ELEVATE TEAMS- We understand that summer is often filled with vacations, camps, and family activities. Because of this, there will be some leniency with practice attendance during the summer months for Elevate athletes, and we understand that occasional absences may occur.

However, once the season is fully underway, attendance expectations will change. **The official practice attendance policy for Elevate teams will go into effect the week of August 24th.** At that time, athletes will

be expected to follow the attendance guidelines to help ensure team consistency, skill development, and preparation for performances and competitions.

SSA ATTENDANCE POLICY (ELEVATE TEAMS)

Attendance Expectations:

- Consistent attendance is important for team success, skill development, and safety. Athletes who miss practices frequently may fall behind in stunts, tumbling, and choreography.
- Elevate Team athletes are allowed up to 3 absences (excused or unexcused) during the season.
- Once an athlete reaches 3 absences, they will continue participating in formations and dance only, but will be removed from stunts and tumbling until attendance improves.
- Excused absences should be communicated with coaches in advance whenever possible.

Our Goal:

We want athletes to enjoy the program, grow their skills, and contribute to the team, while also recognizing that unavoidable conflicts may arise. Staying engaged and attending practices ensures athletes maximize their experience and team success.

SSA ATTENDANCE POLICY (FLEX AND FULL SEASON TEAMS)

SSA enforces a strict attendance policy to protect the integrity, safety, and success of each team and the overall program. Because All Star routines rely on every athlete's role, consistent attendance is required for proper training, choreography progress, and team safety.

Unexcused Absences

- After 2 unexcused absences: A fill-in athlete **WILL BEGIN** learning the routine.
- After 4 unexcused absences: The athlete **WILL BE** removed from all stunts and tumbling.

If routine numbers are affected or no longer meet the requirements of the competition scoresheet:

- Athletes on a Full Season Team may be moved to a Flex Team.

- **Athletes on a Flex Team will be removed from future competitions for the remainder of the season.**

*No refunds will be granted.

Practice Expectations

- If an athlete leaves practice early, it **WILL BE** counted as an unexcused absence.
- Two (2) tardies equal one (1) absence.
- A tardy will be recorded 5 minutes after the scheduled start time of practice.

Excused Absences Absences may be considered excused when the following requirements are met:

- Two weeks' notice is provided when possible (slip must be completed at front desk)
- Proper documentation is submitted (doctor's note, emergency verification, etc.)

The following are **NOT** considered excused absences:

- Other recreational sports, extracurricular activities, school sports, games etc.
- Vacations/Work
- Birthday parties or social events

Competition Eligibility

All athletes must attend and successfully participate in all practices during the two weeks leading up to a competition or performance to remain eligible to compete. This policy ensures that every athlete is properly prepared and that the team can perform safely and successfully.

If an athlete misses a practice within two weeks of a competition (whether the absence is excused or unexcused), the athlete will **NOT** compete in that competition.

NEW THIS SEASON

All absences must be reported by completing an Absent Slip at the Front Desk. The Front Desk Manager will immediately notify the athlete's coach.

Absences will **no longer be communicated directly to Team Moms or coaches**. This process helps ensure accurate tracking of attendance and proper communication within the program.

Program Commitment

After reviewing this attendance policy, please ensure you are committing to the program that best aligns with your family's priorities and availability. All Star cheer requires discipline, accountability, and a **team-first mindset**. Every athlete plays a critical role in the success of the team.

Family & Athlete Commitment

Competitive All Star Cheer at SSA is designed for athletes who are excited to challenge themselves, grow their skills, and perform in a high-energy, competitive environment. This sport requires dedication, discipline, and teamwork from both athletes and their families.

There are no substitutions or replacements. Each athlete plays an important role in the routine, and every position directly impacts the success of the **entire team**. For this reason, athletes **MUST** be committed to attending practices, learning choreography, and giving their full effort throughout the **ENTIRE** season.

All Star cheer requires **selfless discipline and a team-first mindset**. **ATHLETES & FAMILIES** must understand that their teammates rely on them, and success is built through accountability, hard work, and supporting one another.

While the experience provides incredible opportunities for **skill development, personal growth, confidence, and unforgettable memories**, it also requires a strong commitment from families. If your athlete or family is not ready to fully commit to the expectations and responsibilities of an All Star season, this program may not be the best fit at this time.

At SSA, we strive to build athletes who are not only strong competitors, but also supportive teammates who understand that the **TEAM** always comes first!!

Uniform & Apparel Overview

***Athletes and families will have several opportunities throughout the season to purchase additional SSA apparel and spirit wear.**

ZERO POLICY FOR LOGO USE

At SupaStarz Athletics, our logo represents the heart, integrity, and reputation of our program. To protect our brand and ensure consistency across all team-related materials, we have a ZERO policy regarding the use of our logo.

Policy Guidelines:

- 1. No Unauthorized Use:** Our logo may not be used on any apparel, merchandise, promotional items, personal clothing, or products without prior written approval from SupaStarz Athletics.

2. **Fundraising:** The logo cannot be used in any fundraising efforts without explicit approval from the gym.
3. **Official Merchandise Only:** Only items purchased or approved directly by SupaStarz Athletics may feature our logo.

- **Elevate & Flex Team Athletes:**
 - If chosen for tumble sections, participation in the All Star Tumble Class is not required, but enrollment is encouraged.
 - If space is available after Full Season athletes have been placed, remaining spots will be offered at \$55 per month.
 - Once All Star Tumble Class is full. Elevate and Flex team athletes will be encouraged to enroll in one of our recreational tumble classes.

CROSSOVER ATHLETES

At SupaStarz Athletics, we are proud to offer athlete crossover opportunities, allowing athletes to participate on more than one team (2 max). This is a great way for your athlete to gain additional experience, improve skills, and showcase

their talent. **Important:** Before committing to a crossover, please ensure that your athlete is physically, mentally, and emotionally ready to handle the added commitment. Attendance and expectations apply for both teams, and athletes are responsible for fully participating in practices, competitions, and team events for each team they join.

- Monthly Crossover Fee: \$40
- Competition Fee: Additional \$35 per competition
- Choreography, Music/Other Fees: Families pay only once per athlete, based on the highest team fee
- Parents will have the opportunity to make this decision prior to the evaluation process.

- No Refunds: Once a family has officially registered for Season 4, no refunds will be granted. This includes registration fees, competition fees, and apparel fees.
- Exit Fee: If an athlete/family withdraws **after** Choreography Camp, a \$110 exit fee will be charged.
- Notice: A courtesy 30-day written notice is requested if you plan to withdraw your athlete after October 1st.

Gym Culture & Conduct Policy

At **SupaStarz Athletics**, we are committed to creating a **positive, safe, and respectful environment** where athletes can **grow, learn, and succeed**. Our gym culture is the heart of our program, and we expect **both athletes and parents** to uphold it.

Expectations for Athletes:

- **Respect:** Treat coaches, teammates, staff, and guests with kindness.
- **Responsibility:** Arrive on time, prepared, and ready to work.
- **Effort & Attitude:** Always give your best with a positive attitude.
- **Safety:** Follow all rules and coaches' instructions.
- **Team Spirit:** Encourage teammates and support each other.

Expectations for Parents:

- **Positive Support:** Cheer for all athletes, respect coaches and staff, and maintain a **positive tone** in and out of the gym.

- **Professional Communication:** Address concerns **directly and respectfully** with coaches, not publicly or with other parents.

Our Commitment as Coaches & Staff:

We understand that parents expect the highest level of leadership, coaching, and mentorship from our team. We continuously reflect, train, and focus on ways to grow so we can provide athletes with the best guidance, support, and role modeling.

Consequences: Misconduct by athletes or parents may result in warnings, temporary removal, or, in severe cases, removal from the program.

Why It Matters: A strong gym culture ensures safety, growth, and success for every athlete, while fostering a supportive, positive environment for the entire SupaStarz Athletics community.

Competition Schedule & End of Season Information

FINAL NOTE TO OUR NEW AND RETURNING SUPASTARZ FAMILY

We understand that this packet contains **a lot of information**, and it can certainly feel **overwhelming at first**. Our goal in providing these details is to ensure that every family has a **clear understanding of expectations, commitments, and opportunities** within our program.

As we enter **Season 4**, our main focus is to create a program that is **clear, transparent, and fair for all athletes and families**. We are continuously learning and growing as a program, and we are committed to providing an environment where athletes can **develop their skills, build confidence, and create lasting memories**.

We truly appreciate the **trust you place in SupaStarz Athletics** and look forward to an exciting season filled with memories, growth, teamwork, and success.

Welcome to the SupaStarz Family! ✨
