

DA WSC Fellowship Needs/Requests

World Service Committees work in different topics areas and are seeking individuals or groups with specific experience to share in service of the D.A. Fellowship. Be mindful, this file is generally viewable on the New York GSR Meetings webpage.

“Our GSR’s responsibly perform the function of two way communication between WSC, it’s committees and local groups. We communicate financial and other needs of D.A., reporting news of the conference activities to our local groups. We receive information from the General Service Office (GSO), we transmit our group’s ideas, opinions and local news to the Office and the General Service Board (GSB). We support all D.A.’s trusted servants to keep a “finger on the pulse” of D.A. In our communication, the GSO and the GSB can better understand and respond to our region’s needs.” [DA GSR Pamphlet](#)

Committee	Request of members	Who/How to contribute	Posted by/ Date
