Password must: •Be at least 8 characters long •Contain at least one uppercase and one lowercase letter •Contain at least one letter and one number •Contain at least one special character

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1	
---	--

- You can link all of your children to your PowerSchool Parent Portal account. You will require your child's **Access ID** and **Access Password**, for each child you want to associate with your account. Fill in student information with the information provided by your student's teacher/school. Complete this for every student you have.

Select the Relationship from the drop down menu.

Repeat for all children you wish to associate your PowerSchool Parent Portal with.
