

Good evening, Lake Forest High School! Happy first Sunday in October. Please continue reading our weekly announcements.

Interim grades will be available in HAC on Friday, October 6th. Please take this opportunity to review your child's academic progress. The end of the first marking period is November 1st, with report cards being available on November 8th. Final grades are determined by averaging marking period one and marking period two grades. Every assignment and assessment counts!

Seniors, the week of October 8th is College Application Week. Counselors will be working with all students on the creation and submission of college applications. Please come prepared with the list of colleges you would like to apply to, your social security number, and general demographic information. The counseling department will then hold a follow-up informational session in October, entitled, Paying for College. More information will be sent as this date approaches.

Lake Forest High School is using a new safety protocol this year called SRP. Please see the links below for information:

Finally, Friday, October 13th, is a Professional Development Day. School is closed to students.

That is all we have for you this evening. Thank you and have a good night!
