RE: Coeur d'Alene Lumbermen Baseball Club an American Legion Program

Dear CDA Lumbermen Baseball Sponsor,

Hello, my name is **[name of player]**; I am **[age]** years old and will be playing this year for the Coeur d'Alene Lumbermen Baseball Club. The CDA Lumbermen are part of the American Legion Baseball Program. Each year we raise funds by contacting local businesses who wish to support the program by advertising in the CDA Lumbermen Baseball program insert in the CDA Press.

There are many different options available and I have provided sample sizes for your review. You can place an ad for as little as \$100 for a business card sized spot, or you can go as high as \$1,500 for a full-page ad in the baseball program. You can purchase a business sign banner placed on the Thorco Field (Ramsey Park) fence line. *All sponsorships are tax deductible; you will be provided a receipt of your donation for tax purposes.*

Whether it is a small ad or a team sponsorship I am very grateful for any support. Participating in this program not only helps me play the best baseball in the area, it also provides me the opportunity to help our community. In addition to the games we play, we are also responsible for putting up and taking down the American flags you see in local neighborhoods on Memorial Day and July 4th. We team with other local organizations and businesses for other service projects. All of this helps me to better understand our community and be a better citizen.

Thank you for taking the time to read this letter and I hope to hear from you. The Lumbermen play baseball locally at Thorco Field at Ramsey Park, Lake City High School, Coeur d'Alene High School and Croffoot Park. I would like to invite you to stop by and watch a game if you can.

Sincerely,

[player name]
