

PODCAST IDEAS FOR PLANNING

RESOURCES FOR LESSON PLANNING	Teaching Podcasting: A Curriculum Guide for Educators, NPR, November 2018 Project Audio: Teaching Students How to Produce Their Own Podcasts, New York Times, April 2018 "Prime Time for Podcasts", School Library Journal, February 2018 Podcast Rubric from Read, Write, Think Podcast Rubric from Innoteach Podcast Evaluation from Kathy Schrock
EQUIPMENT IN LHS LIBRARY	1 - Yeti Microphone - USB - works well with Chromebooks & Computers 2 - Lavalier Microphones 2 - Lightning Adaptors to use Lavalier Mics & headphones with iPhones 1 1- Jack Adaptor Splitter to use Lavalier Mics & headphones with cell phones
TOOLS FOR RECORDING & EDITING	GARAGEBAND - Apple products only! ** ANCHOR - all platforms - more about ANCHOR I am waiting to find out how to use WeVideo for MP3 with our paid version. Would be great to use because of the HUGE library of royalty free music, sound effects, etc. AUDACITY - Works both on PC and Apple (Downloadable, free-open source, audio editing program) Chromebooks??
TOOLS FOR PUBLISHING/ DISTRIBUTING	** ANCHOR - all platforms - information about distributing PODOMATIC --all platforms
TUTORIALS	How to Start a Podcast (2019 Tutorial)  Equipment & Software - Pat Flynn How to Use Garageband to Record & Edit Podcasts - Pat Flynn Top Podcasting Tips & Tools for Recording, Interviews & Exporting (2018 Tutorial) - Pat Flynn - this one is IN DEPTH! I can find more tutorials, specific to the platform you choose...just let me know.
